

Help us Publish our Book:

You can help us achieve our dream of making this world a little kinder, one Rees' piece at time...

On May 4th, 2014 we embarked on an ambitious project to get our children's book, *A Little Rees Specht Cultivates Kindness*, self-published through a crowd funding campaign to raise the \$20,000.00 needed to print and distribute 2000 copies of our book. We currently find ourselves \$9000.00 from our goal, with only 12 days left.

Here's how you can help:

Go to www.Indiegogo.com and put Rees Specht as your search term. Our campaign should show up and you can click on it. You can also directly access it by following this link: <http://igg.me/p/771714/x>

Once at the site you can choose one (or more) of many different perks that will help fund our dream. You can order the book directly through the campaign – and it represents the only way to currently order the book. Your support will help our dream come true! Thank you so much for your continued support of the Richard Edwin-Ehmer Specht memorial scholarship fund.
