

# REES SPECHT LIFE

CULTIVATING KINDNESS ONE PIECE AT A TIME...

You have been given the gift of "A Little Rees Specht"...

To show our appreciation for all you do, a special gift is on its way to you. With no more grading and no more stress, please accept this seed of kindness...

When you return in the fall, the seed will sprout – big and tall. A little book, about a boy who learns to cultivate kindness and joy.

For your patience and caring, smiles and sharing we just want to say, Thank you. We have made a donation in your name for one copy of "A Little Rees Specht Cultivates Kindness", by Richard Specht to be delivered to you for next school year. You can read more about ReesSpecht Life at [www.ReesSpechtLife.com](http://www.ReesSpechtLife.com). Thank you so much!
